# HC40 FRAME™ Advanced
# **Data Sheet**

The Hand Control HC40 FRAME™ for the operation of electric adjustable beds is designed to match modern bedroom interior with features that eliminate the need for multiple bedside devices. No matter how many motors, favourite positions and massage options the bed offers, the design of this remote control remains clean. The HC40 FRAME™ Advanced is also ideal for homecare bed and nursing home bed applications.

The exclusive look of the hand control's metallic frame meets the dark matt surface perfectly. Reference lines on the back and a navigation point on the front ensure one-grip-reach-all-buttons and an easy orientation of the remote. Set the top row buttons to have the favourite features accessible with a single click.

The control is designed for day and night use. The screen brightness adjusts to the surroundings, dimming the light at night, if the user wants to check the time. Shake it sideways twice to illuminate a torch that guides the way in the dark. Set an alarm and wake up quietly the next morning by a vibrating massage - leaving your partner undisturbed. Grab the remote to stop the alarm and get a personalised good morning greeting.

The HC40 FRAME™ is developed for easy customisation. Get your own logo as the start-up screen and let your brand be the first thing, the user meets. Customise the colour or surface and make a unique offering for a specific brand or bed series.

# Features/Options/Compatibility/Usage

## Features

- Clean minimalistic design
- Control up to four references (back, leg, foot and neck as standard)
- Save up to four favourite positions
- Control up to two massage references (back and leg as standard)
- Three shortcut buttons: save the most used functionalities to be only one click away
- Time & day displays by movement of the hand control
- Alarms: set up to three alarms and massage motors work as a wake-up
- Simultaneous drive down
- Button for Under Bed Light
- Torch; enabled by shaking the remote sideways twice
- Four-level battery indicator and notification when batteries must be changed
- Notifications: "HAVE A NICE DAY" and "GOOD MORNING"
- Key in name and get personalised notifications
- Plastic parts black (RAL 9005) and metallised frame
- Factory reset
- Available in ten languages (English, French, Spanish, German, Swedish, Danish, Korean, Chinese, Finnish, Norwegian)
- Delivered in a fabric bag
- PVC-Free™

## Options

- Customise print on keypad
- Customise logo on battery cover
- Customise battery cover colour
- Customer logo in display
- One-click drive on favourite positions and 'simultaneous drive down' button (Impulse drive)
- Sleep timer: Set a timer to let the bed move to sleeping position

## Compatibility

- TD4 Advanced
- TD5 Advanced
- LA18 IC Advanced
- Bluetooth® adapter

*The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG Inc. and any use of such marks and logos by LINAK A/S is under license.*

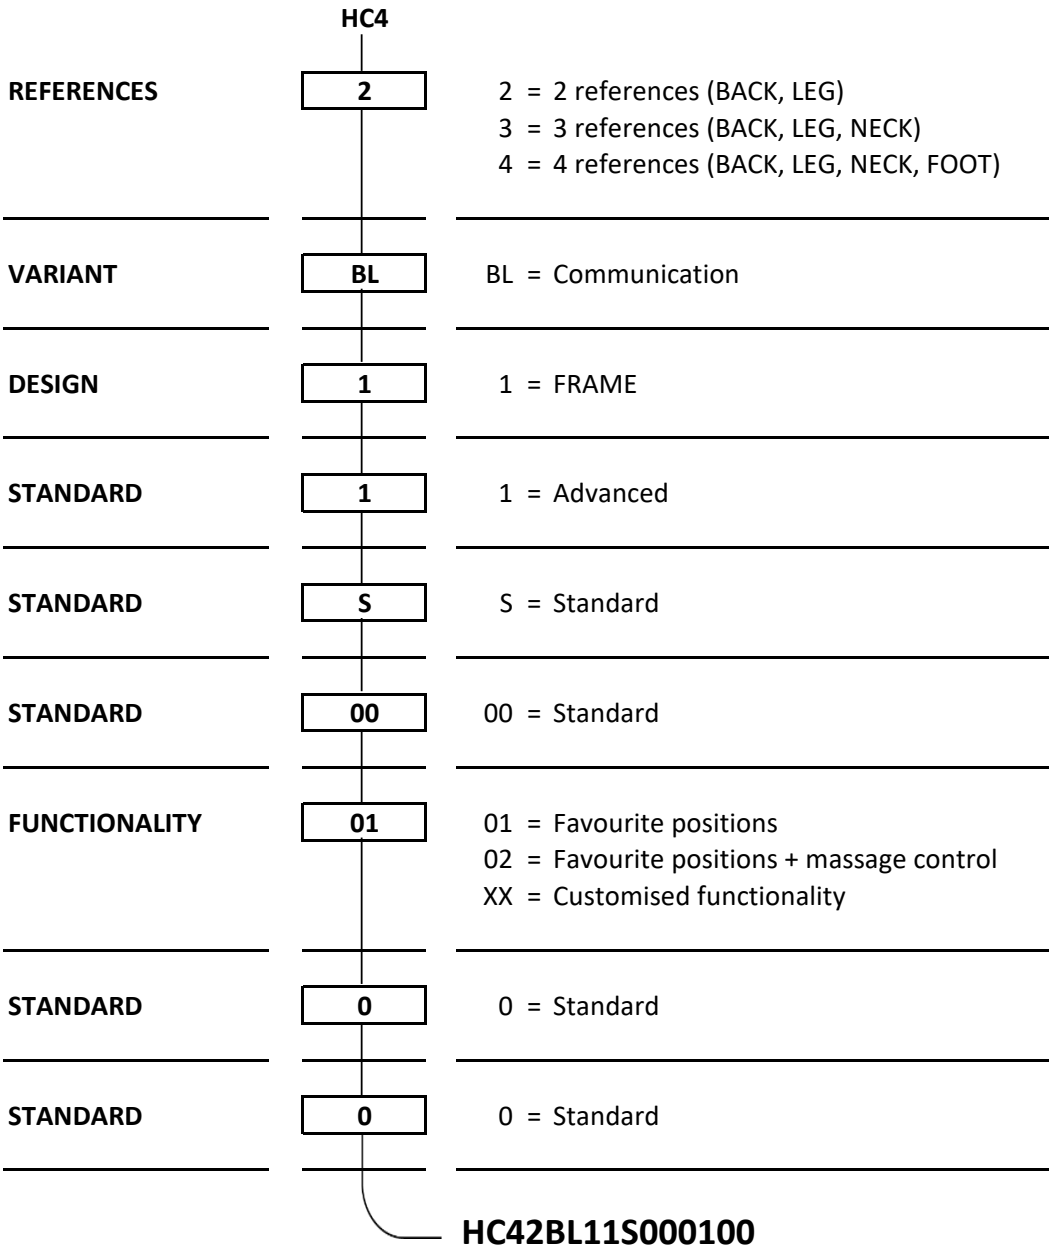

## Usage

- Requires 2 x AAA replaceable batteries (not included)
- For indoor use in dry locations

| Parameter | Operation | Storage and transportation |
|---|---|---|
| Temperature | 5 to 40 °C | -10 to +50 °C |
| Relative humidity | 20% to 80% - non-condensing | 20% to 80% - non-condensing |
| Atmospheric pressure | 800 to 1060 hPa | 700 to 1060 hPa |
| Altitude | Max. 2000 m | N/A |

- Complies with FCC and IC
- Complies with UL 962, EN 62368-1, KC, MIC, and RCM

## Ordering

**Note:**

The batteries are not included.

**Minimum order quantity (MOQ)**

- For information about minimum ordre quantity, please contact your local LINAK.
