

Desk Control™ App Data sheet

Desk Control™ App

The Desk Control™ App is developed for users of sit-stand desks, who want to come one step closer to changing the prolonged sitting behaviour. Friendly reminders urge you to change position and extensive statistics show you your daily achievements - all to help you build a healthy routine during the workday. Via the app the desk can also be adjusted, and the user can drive to pre-stored memory positions.

The app is available for three different platforms: iOS for iPhones and iPads, Android for Android smartphones and tablets, and a desktop version for Windows 10. The Desk Control™ app comes in multiple languages, which can be selected in the app.

The app is connected to the desk via Bluetooth® wireless technology integrated in either of the LINAK® Desk Panels DPG1M, DPG1B, or DPG1C (all app versions), or with the BLE2LIN Bluetooth® adapter (only iOS and Android versions).

Features:

- Up and down drive (if supported by the connected product)
- Displays actual height
- Displays error codes and links to LINAK website support
- Up to four favourite positions
- Reminder notifications when to stand up
- Statistics of your daily achievements (standing time and burned calories)
- Automatic connection to desk
- Possibility to enable automatic drive on favourite positions (if supported by the connected product)
- Works via Bluetooth® Low Energy Technology
- Available in English, German, French, Spanish, Italian, Korean, Chinese and Japanese

Options:

- Customised colour, logo and links

Usage:

- Compatible with the LINAK Bluetooth® Adapter BLE2LIN002 (SW versions 1.05 and 1.08) - only iOS and Android versions
- Compatible with Windows 10
- Compatible with the desk panels: DPG1M, DPG1B and DPG1C (SW versions 1.21, 1.29 and 1.40)
- Compatible with newer iOS and Android-based smartphones/tablets with Bluetooth® Low Energy

Check the minimum requirement for iOS/Android version in the relevant app store.
